Min. bay requirement:	15' x 30'
Ceiling requirement:	13'8" - 16'8"
Shockwave option:	yes
TRIO arms standard:	yes

Two-post features.

AV All-Vehicle three-stage arms

Accommodate all vehicle types under 10,000 lbs. with the industry's original and best-selling asymmetrical lift, now featuring Rotary's All-Vehicle (AV) Lift Arms. These revolutionary arms provide technicians the ability to lift and service practically all roadgoing vehicles on ONE LIFT(within the lift's rated capacity), including:

- Battery Electric
- Exotic Low Profile
- Truck Frame
- Unibody Cars & SUVs

SHOCKWAVE™. Experience two times faster rise and descent compared to standard lifts, which saves you time and money, plus Spotline™ laser vehicle spotting for more accuracy the first time.

Color options. Keep the look of your equipment clean and cohesive with color options on most lifts, including blue and red.
